

RIVER ROAD PARK DISTRICT

SPECIAL EDITION

The Buzzle

Welcome to "*The Buzzle*" ~ River Road Park's quarterly newsletter designed to keep you up to date with park news and more in touch with your community.

Hi, I'm Renee Duncan, your new Superintendent.

I grew up in Coburg and have always considered Eugene my home. I went to high school at Sheldon where I played water polo and swam for four years. ECSC was my swim team, this is where I truly fell in love with aquatics. I have worked in aquatics my whole life and was recently given the opportunity to be River Road Park's Aquatics Director. I have done that for the last few years and now, I'm honored to say, I will be taking over as your new Superintendent. I'm thrilled to be here and I'm really looking forward to meeting you all. I want to reassure everyone I'm not here to change what we do. I understand that this is a very unique and amazing organization. We have a gifted and talented staff and I'm confident that together we will thrive. I see my role as helping grow programs, events, activities, while making community connections that will carry us into the future.

River Road Park has been a part of my life for a long time, first as the cross-town rival, then the Park & Recreation facility where my children learned to dance, swim, and went to camps. Each phase of my life here at the District has been wonderful and I'm so excited for what the future holds.

"I cannot say whether things will get better if we change; what I can say is they must change if they are to get better." Georg C. Lichtenberg- German physicist.
